

# Product Linecard

Harnessing Components and Associated Products

The Supplier of Choice for Electrical Harnessing Components and Associated Products.

“Commitment to customer service and quality, providing innovation, technical support and cost effective solutions”

Added value services include...

- Cutting services
- Custom cable solutions
- Pre-print services
- Logistics

EN 9120: 2010  
 ISO 9001: 2008  
 EN 9104-001: 2013

**Brand Rex**

A leading global supplier of standards based structured cabling systems.

**Breyden**

Manufacturer of military specification lacing tapes, twines and cords.

**Carlisle**

High performance wire and cable, for applications in aerospace, military and defence electronics.

**Cotronics**

High Temperature adhesives, fillers, coatings, tapes & cloths.

**Device Technologies Inc**

Protective edging, gaskets & thermal Interface material.

**Draka**

High performance wire and cable for military and aerospace applications.

**Federal-Mogul SPG**

Protective Sleeving: Silicon fibreglass coated, Nomex, modified polyester and woven fibreglass materials.

**IS-Cabletec**

Manufacturers of metal braids and screens, bonding leads and swaged assemblies.

**Lapp Muller**

Specialist Wire & Cable - Robotic, Sub-Sea and Radiation resistant.

**Nexans**

High performance wire and cable for military and aerospace applications.

**OTTO**

Switches and Grips - Including toggle, vandal resistant, sealed limit switches, custom pendants, rotary and short travel transducers.

**Panduit**

Cable Management Accessories: Cable ties and fasteners, ducting, grommet edging and tools.

**PIC Wire & Cable**

High Performance and Lightweight, coaxial cables, high speed data cables and micro X and Ku band cable and wire.

**StacoSystems**

Switches and illuminated panels for aerospace and defence applications.

**TE Connectivity**

Broad range of wire and cable, heat-shrinkable tubing, moulded parts & shapes. Plus terminals and splices, cable markers, connectors and backshells, adhesives, relays and contactors.
