

## IDENTIFICATION SOLUTIONS HARDWARE/ SOFTWARE EMEA SALES PROMOTION

Back by popular demand, EMEA TE Connectivity Cable Identification customers can now take advantage of this year's free software and/or hardware promotional with any qualifying purchase of heat shrink sleeves, cable markers, ID labels or custom pre-printed Identification products. Whether your needs are multi-purpose industrial labeling, self-laminating labels, cable markers, panel and terminal markers, or just about any custom application you can imagine – we want to be your complete Identification solutions provider.
